

# South Wales Caving Club ~ Clwb Ogofeydd Deheudir Cymru

To help you enjoy your stay at Penwyllt please ensure all visitors read the following information:

1) On arrival please sign in enbloc. 2) Please also pay your hut fees enbloc, usually on Sunday morning before you go caving.

3) There should always be a "Duty Officer" allocated to be around to help you settle in and to answer any questions, issue keys etc. Do ask anyone you meet to tell you who this is.

4) Guest accommodation is normally as follows (The cottages are numbered 1-10 from the left as you face the front of the cottages):

Women only No 6 rear (above main kitchen up ladies stairs - purple door)

Men only No 9 front (above long common Rm up gents stairs) (mixed if it gets busy!)

Mixed No 10 front (above Library up end stairs)

Showers and Changing areas Nos 3 & 4, Drying Room No 4 upstairs rear

Sorry we don't have facilities for Guest Children

5) Camping is only allowed in the grassy area in front of the cottages.

6) Please no excessive noise after midnight, there are dormitories right above you!

7) Cave permits (where necessary) **must** arranged before arrival. See <http://www.swcc.org.uk/caving/> to find out about Access and Permits.

8) Every caving party must fill out a trip ticket and hang it on the destination board, so we know who is underground and when to expect their return. See <http://www.swcc.org.uk/caving/access/> .

9) Guests are expected to clear up promptly after eating and to help keep the eating and food preparation areas clean and tidy. Spare cleaning materials are in the cupboard in the Dining Room.

10) The showers and changing areas do get dirty, but it would help if you could assist by hosing them down after you have used them.

11) Smoking is not permitted anywhere in the cottages - this is now a legal requirement. Well behaved dogs are allowed only in the Small Common Room and signing in area.

12) Please keep the toilet areas clean and tidy. The loo roll stock is in the loft above the gents.

13) Guests may use the Library if it is open, but they may not borrow any materials without permission from the Librarian.

14) If you are the last to leave the building please follow the switching off instructions on the fuse board in the main passage.

15) If there is a problem, please bring it to the attention of the Duty Officer or a committee member, failing that here are a couple of local committee members you can contact.
