The club has a clear non-discrimination policy but caving is a serious and potentially hazardous sport that requires both self reliance and team work in an unusual and sometimes challenging, environment. In order that we help you get the most out of caving please advise if you have any physical or learning difficulties that the club ought to be aware of that might compromise your safety and enjoyment, or that of those who may be accompanying you.

Subscription fee calculation

The SWCC Provisional Membership subscription is £10, which covers you for a period of up to 12 months from joining. To this must be added the subscription for joining BCA, which provides compulsory caving insurance, unless you are already covered through another caving club or as a direct BCA member. If so, you must provide your BCA number and tell us the route. The BCA subscription depends on your date of joining: £17.00 in January-March, £12.75 in April-June, £8.50 in July-August and £21.25 after 1st September (which covers the period up to 31st December in the year after you join). Full time students and those aged under 18 years pay a reduced BCA subscription – please contact me via the SWCC website if this is the case.
